Such change will be brought to your attention through regular sports news releases from the Fort Hays State Office of Information Services.

Visiting journalists, publicists, etc., are invited to visit the FHS campus and are welcome to use facilities and records in the Office of Information Services on the first floor of Martin Allen Hall. History of the College

Fort Hays Kansas State College, founded in 1902, marked its 64th birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas, and particularly the youth of Central and Western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United State government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

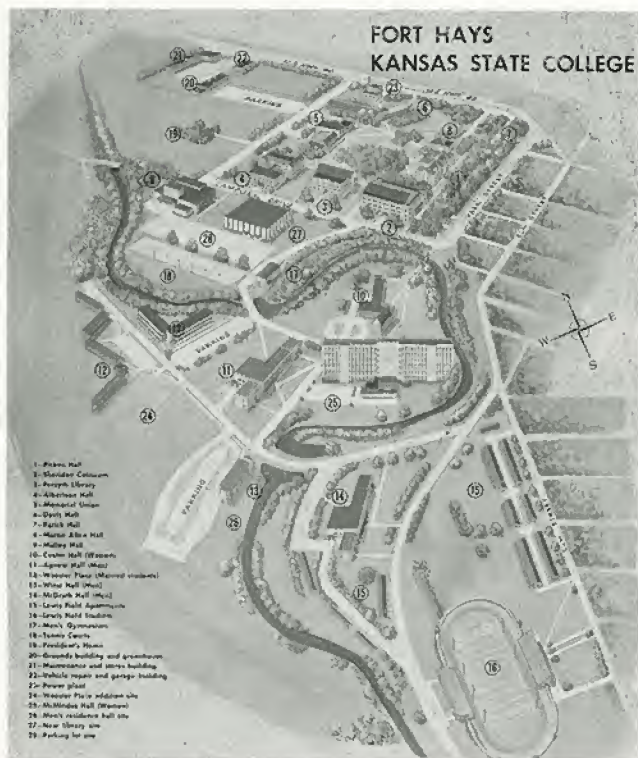

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily to its present enrollment of an estimated 5,250 students, with more than 800 courses and about 250 faculty members. This growth is further reflected in a steady building program that includes such recent construction as Malloy Hall, the new speech and music center; completion of a six-story women's residence hall that houses some 600 coeds; an addition to Albertson Hall, the science building; new maintenance buildings; a new men's dormitory; and new married student housing. Complete remodeling of parts of several campus structures has taken place, and a new library is under construction.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of Western Kansas.

Athletic Facilities

In addition to Lewis Field Stadium, home of the football and track teams, Fort Hays State has other varied athletic facilities.

Sheridan Coliseum, built in 1915, houses the basketball and gymnastics facilities, in addition to the physical education offices and the K-Club trophy room. Home wrestling meets are held at the coliseum, although the matmen work out in a wrestling practice room at Lewis Field Stadium.

Sheridan Coliseum also includes a swimming pool which is used for phys ed swimming classes. FHS has not had a competitive swimming team for several years as the present facilities are not adequate for competition.

Another gymnasium building, known as "men's gym," is used for physical education classes and some intramural competition. Located south of the coliseum, it was moved from Walker Air Force Base in 1947.

The college tennis courts, eight in number, are located south of the coliseum. Solid fences have been added to two courts, giving some wind protection. The courts are lighted for night play.

The college golfers use the nine-hole course at Fort Hays Country Club for their meets. It is located southwest of Hays on highway 40 bypass. The golf course is also the site of home cross country meets.

FHS baseball games are played at Larks Park, the city baseball park at East Fourth and Oak.

Athletic Program

A well-rounded athletic program spanning the entire nine-month school term is offered at Fort Hays State, with at least two sports under way almost continuously throughout the year.

In the fall, the football team and cross country runners compete in both conference and non-conference competition. The cross country squad is also a top competitor each year in the NAIA national championship race.

Basketball, wrestling and gymnastics are offered through the winter months. The basketball squad competes in conference and NAIA competition. The conference does not offer wrestling and gymnastics activity, so the Tiger teams must maintain non-league schedules in those sports. The wrestling squad enters the NAIA national meet each year. The gymnastics team, being one of the few small-college gym squads in the area, regularly competes with major universities and in the NAIA meet.

Spring sports include track and field, golf, baseball and tennis, and all compete in conference meets. The track and golf teams have been frequent NAIA meet competitors.

The college fielded its first baseball team in 42 years last spring.

The college's well organized intramural program includes touch football, basketball, volleyball, softball, track and field, swimming, bowling, tennis, golf, badminton, table tennis and horseshoes.

Those wearing the block K . . .

. . . on the black and gold award jackets are FHS athletic lettermen and members of the K-Club, the organization honoring athletic lettermen. The group's purposes are to foster fellowship among the members and to promote athletics. The club also contributes to the scholarship fund by selling concessions at athletic events.

Welcome to the "snake pit" . . .

. . . as the Sheridan Coliseum arena is often called. In this unique basketball setting, the Tigers have won 64 and lost only nine games in the past six seasons.

Press Facilities

PRESSBOX: The main pressbox includes adequate facilities for press and radio. It is located atop the east stadium. Included are two enclosed radio booths; one is used by KAYS for each home game. The main press room is used by the working press, publicity personnel of the competing schools, statisticians and the public address and scoreboard personnel. Another large enclosed box is commonly called the "President's Box" and is used by college officials; it is not available for press or scout use.

SCOUTS AND CAMERAMEN: A new box was constructed in 1962 atop the west stadium. It is divided, half for movie cameramen and half for visiting scouts. The new box is white; the main pressbox is native stone.

PRESSBOX PASSES: These are required for everyone seeking admission to either box—press, radio, cameramen, scouts, publicity personnel, etc. Write the sports information director, preferably at least a week in advance to allow time for mailing. Late requests will be filled when possible; passes in those cases will be left at the ticket window. **NOTE:** The scout for the next Tiger opponent will be given preference; others will be seated if room is available.

RADIO: Radio stations wishing to broadcast a Tiger game must make their own arrangements with Southwestern Bell Telephone Co. in Hays. Also contact the sports information director at FHS to determine available facilities and to assure receiving press services.

FILING: A telephone is available in the main pressbox; another is located elsewhere in the stadium. Phones at Martin Allen Hall on the campus may be used after the game. Any newspaper desiring Western Union service must make its own arrangements by contacting the Hays Western Union office, 235 W. 10th.

SERVICES: Although the sports information service at FHS does not control all phases of the pressbox operation, we will do our best to serve you in any way. Before game: Programs, line-ups, number changes, flip cards, cumulative statistics for season, etc. During game: Detailed play-by-play sheets as each page is completed, team statistics and individual leaders at halftime. After game (as soon as possible): Final statistics and scoring summary. Anytime: Coffee and soft drinks, matches, pencils, paper, etc. Hot dogs at halftime.

Athletic Director Suran

Cade Suran, basketball coach at Fort Hays State for 19 years, became athletic director in January, 1965. He relinquished his coaching duties

at the end of the 1964-65 basketball season.

Suran succeeded the late Paul "Busch" Gross, who served as athletic director for more than 34 years before his death in December, 1964.

Cade's early months in the new position were active ones, as evidenced by two major changes in the FHS athletic policy: The addition of baseball to the athletic program and the sale of season reserved seats in football.

As basketball coach, Suran guided his 19 Tiger teams to 264 victories and only 151 losses. That span included only four losing seasons, and one of those (1957-58) came when Suran was on leave due to ill health.

His teams won CIC championships in 1950, 1959, 1962 and 1963 and copped the NAIA District 10 titles in 1959, 1962 and 1963. They competed in the 32-team NAIA Tournament of Champions those same three years, earning fourth-place honors in 1959 and 1963.

Before coming to FHS in 1946, Suran coached in high schools at Harlan, Downs and Wellington. He spends part of his summers as an insurance adjuster and has farming interests in Central Kansas. He is also in demand as a banquet speaker and a square dance caller.

Cade also served as golf coach last spring.

The Junior Varsity

The junior varsity football squad at Fort Hays State is primarily a freshman team, with a few upperclassmen who lack experience in college football also seeing some action.

Graduate assistant Max VanLaningham and senior assistant Ron Morel, both Tiger gridgers last season, have tentatively been assigned the junior varsity coaching chores. VanLaningham was a four-year letterman back and Morel, a three-year letterman end for the Tigers.

The Bengal jayvees will play their customary home-and-home series with Kearney and the usual single game with Emporia State. Northwestern Oklahoma State's junior varsity squad comprises the other Tiger opponent this season.

The jayvee record over the past six seasons is 9-10, including a 1-2 mark in 1964 and a winless 0-4 chart last fall.

McConnell's record vs. 1966 foes . . .

In his ten seasons as head Tiger coach, Wayne McConnell and his teams have this record against this year's opponents:

	W	L	T	Points
Southwestern Oklahoma	3	1	0	62-50
Kearney State	5	5	0	159-186
Colorado State College	0	1	0	7-21
Northwest Missouri	4	3	1	133-91
Washburn University	4	6	0	142-200
Emporia State	4	4	1	147-134
Southern Colorado State	1	2	0	51-72
Pittsburg State	4	6	0	146-263
Omaha University	2	4	1	99-168

The Season Outlook

"This year's prospects are better than average," says FHS Football Coach Wayne J. McConnell, "and they may even be considered bright."

The Tigers boast 25 returning lettermen, enabling McConnell to count on experienced grid-ders in every position. Seven starters return from the offensive lineup of '65 and seven from the starting defensive alignment.

McConnell says the biggest problem will be replacing the defensive secondary that led FHS to one of its best defensive showings in years last fall. Gone are the top four defensive deep backs (Ron Morel, Bob Anthony, Max VanLaningham and Eddie Dissinger) and linebackers Gordon Mauch and Gary Lingle. Losses in the offensive lineup include all-conference end Morel, half-back Anthony, center Paul Monty and guard Dave Hays.

Morel, first-team all-conference end and second-team all-conference safety, and VanLaningham, second-team defense, will serve as senior and graduate assistants respectively on the football squad this season.

"Defensively, we look good," McConnell says. "How well we fill the gaps in the secondary will play a major role in the outcome of our season. We have some fine prospects but they lack experience."

Offensively, McConnell says he thinks all positions can be filled adequately. "We will certainly miss the services of people like Morel, Monty, Anthony, Hays and the others, but if our prospects work out, we hope to compensate for our losses," said the eleventh-year head mentor.

"We need someone to fill one guard spot and the center position looks like it is up for grabs. We do need replacements and depth at a number of the spots. We also need kickers to replace Morel and VanLaningham," McConnell notes.

The Tigers finished the season with a 6-3 mark last year. They garnered second place in the CIC, losing the title to Omaha University in the last 56 seconds of the ball game.

The Outlook by Positions

End—Average to Good

Two good ends in Charley Adams and Ken Albers. Bob Niles (former letterman) could help. Lack speed, depth. Does look promising. Might add speed from running backs. New prospects look good, could help.

Tackle—Good to Excellent

With regulars Jim Erickson, Don Givens, Bernie Blevins and Ron Tuley back, position looks strong. Lettermen Ron Darst and Dudley Fryman could start. Lot of experience, depth. A real bright spot.

Guard—Average to Good

Only one returning "regular" at this position but he is a good one: Larry Noffsinger. Some fine candidates for the other spot. Competition should find one or two real good ones. McConnell thinks talent abundant enough to fill gap.

Center—Fair to Average

One experienced center returns (Charley Myers) but is limited on experience. McConnell and staff anticipating move of 250-pound James Powell from tackle. Could depend on Doug Opdycke and Bud Estes, two lettermen with little snapper experience. Should be good battle for starting role.

Quarterback—Good to Excellent

Bob Johnson, a four-year letterman with credentials too numerous to mention, heads a bevy of quarterbacks. Little All-America honorable mention, NAIA District 10 and second-team All-CIC, Johnson pretty well has the position sewed up. Lettermen Leo Hayden and Tim Daniels give the position good depth.

Halfbacks—Good to Excellent

With the moving of All-CIC fullback Rich Dreiling to running back, the halfback position takes on a more solidified look. Top candidates include Ken Caywood, Dave Wright, Burnell Davis, all speedsters. Several others could make the position the strongest on the squad.

Fullback—Good to Excellent

The addition of 225-pound James Jones to the Tiger fullback corps gives the spot depth and experience. Others who could run from there include Daniels, Jon Mastin and Dreiling. McConnell said there are nine candidates for this spot.

Slotback—Good to Excellent

Tommy Stevens, three-year letterman, and Terry Claycamp will adequately fill this spot. New prospects will strengthen the position.

Linebacker—Good to Excellent

The return of starters Ron Tuley and Claycamp definitely gives the spot experience. Need to replace "monster-man" in defensive alignment. McConnell says some fine prospects are working here. Position needs depth.

The Conference Outlook

"I don't think there is any question but what Omaha University again will be the team to beat for the CIC title," says Fort Hays State head football mentor Wayne J. McConnell.

The Indians at OU return 29 lettermen, most of whom played a great deal last year for the title-winning Nebraskans. Leading the Indians on the warpath is quarterback Marlin Briscoe, one of the finest ever to play in the CIC.

McConnell says Pittsburg State and Washburn University have to be considered title-contenders. Pitt returns 27 lettermen, including 1964 All-CIC fullback Gaylen McCubbin. Coach Carnie Smith will be trying to get the Gorillas back on the right path after a dismal 3-6 season last year.

At Washburn University, Coach Ed Linta will greet 23 lettermen. The Ichabods will be big and strong. They will be out to improve on a 2-6-1 mark last year.

McConnell also says not to count the Emporia State Hornets out of any title race. Nineteen returning lettermen and some fine prospects make the title-hungry Hornets a threat. For Fort Hays State prospects, read page 29.

Bulldog Prospects: Fair to Good

The Bulldogs are returning 19 lettermen but are deep only at quarterback and halfback. A real fight is expected for the quarterback slot where three veterans return. Coach Delaporte needs help in the line where experience is but one year in depth. Five junior college transfers could help the Bulldog situation considerably. Top prospects: Dennis Skinner, guard and Charles Randle, halfback; Mike Freeman, Lynn Alexander and Ron Marvel, quarterbacks.

Pre-season forecasts from Kearney indicate the possibility of a good season if gaps created by graduation can be filled. Gone is All-American center Ed Kruml and practically all of the defensive backfield. Returning is veteran quarterback Neil Kaup; tough fullback Lee Jacobsen; big, strong linemen Ken Carmann and Randy Rasmussen. Top prospects: Myron Inselman, end; Lannie Shelmadine and Rich Osentowski, backs. Antelopes are expecting conference competition from Peru State and Wayne State.

Leading the list are quarterback aspirants Jim Sanger, Mike Crissey, Mike Shonka and Mike Reed, and fullback hopefuls Doug Clinkscales and John Sanger. Leading the returning lineman corps are 250-pound tackle Mike Tomasini and center Ron Klatt. Top prospects: Mike Woolford and Bob Ehrlich, running backs. Coach Blasi plans to stick with the wing-T formation but will be inserting some new variations.

Ichabod Prospects: Questionable

Word from the Ichabod camp says Washburn University's 1966 football team will be young and inexperienced. Lack of depth at several key positions will be the main problem confronting head coach Ed Linta. Of the 23 returning lettermen, 10 are sophomores, giving some indication of the youth on the Blues' squad. Leading the list of returning lettermen are quarterback Jack Wellman and linemen Roger Tiesing, Chuck Coppola, Tom Copeland, Mike Sipotz, Rich Gilkerson. Top prospects: Bob Shelinbarger, Jeff Hill, J. D. Cleavinger, Ron Thies, Ron Tialdo and Jerry Sawyer.

Hornet Prospects: Bright

Head Hornet football coach Keith Caywood is approaching the 1966 football season with optimism. Caywood says this could be the team that starts Hornet fans "buzzing" again. Sixteen returning lettermen and some transfers bolster the outlook at the Emporia camp. Leading the list of returnees are backs Bob Hicks, Bill Long and Jim Whitcomb. Linemen Roger Beers, Jim Ackeret, Tom Slezak and all-conference selection Dean Woodson are people Caywood will be relying on.

Leading the defensive returnees are John Kallinger and P. R. Stiles, leading tacklers in 1965. Top prospects: Hester, Stiles, James Wotipka and Dan Godinez.

Indian Prospects: Good to Excellent

Enthusiasm is running at a fever pitch in the Indian camp with 28 lettermen, 16 of them starters from last season, returning for another year of action. Leading the long list of returnees is Marlin Briscoe, one of the best quarterbacks ever to come out of the CIC. Slated to see action in the backfield with Briscoe are Rick Davis, Ron Sayers (brother of Gale and Roger) and Bill Dodd. Carl Goodman, Bill Jansen, Terry Edwards, Larry Von Tersch and Dave Rak are linemen the opposition will be forced to keep an eye on. The Indians have their eyes on a fourth CIC championship.

(Note: A college history compiled by the late L. D. Wooster, president-emeritus of Fort Hays State College, indicates that football was played with several opponents prior to 1913, but that these games were primarily with high school and "town" teams. The first season on which the school has complete scores is 1913; the first completely intercollegiate schedule was played in 1915.)

Looking ahead . . .

Head basketball coach Chuck Brehm, beginning his second year at the Tiger helm, will greet only five lettermen when the roundball season opens this fall. Gone are all-conference selections Cleat Doyel, Johnnie Locke and Bill Strait.

Back for another year of action will be seniors Alan Billinger and Jim Dreiling, juniors Fred Andregg and Gene Rider and sophomores Mike McAtee and Steve Salter, a provisional letterman.

If the Tigers are to be a conference contender, transfers, squad members and freshmen will have to come through. Top candidates for starting berths are 6-6 Dick Davidson, a transfer from the University of Nebraska, and Mike Miller, 6-5 University of Missouri transfer. The freshman crop looks promising but until they are tested, their availability is questionable.

The Tigers finished the season 11-10 last year. They again play a 21-game slate with 12 games at home and nine on the road. Brehm will be assisted again this year by Les Ramsdell, a Vermont native also in his second year as a member of the FHS coaching staff.
